

## Installing BankLink Books from a CD

## To install BankLink Books

Place the BankLink Books CD in your CD drive and then wait a few moments while the auto-run program loads

If the program doesn't start automatically, your auto-run facility is probably disabled in this case, browse the CD and double-click **Setup.exe** 

You see the BankLink Books Installation window

2 Click the Install BankLink Books button

You see the Select Country window

3 Make sure your country is displayed and click OK

You see the **Welcome** window of the BankLink Books Setup Wizard – you should close all other applications before proceeding

4 Click Next

You see the Licence Agreement window

5 Enable the **I accept the agreement** radio button and click **Next** to accept the terms of the agreement and proceed with the installation

You see the Select Destination Location window

- The default destination is C:\BK5 click Browse if you want to select a different folder
- 7 Click Next

You see the Select Start Menu Folder window

- 8 The default folder is **BankLink** click **Browse** if you want to select a different folder
- 9 Click Next

You see the Ready to Install window

10 Click Install

You see the progress of the installation and then the **Completing the BankLink Books Setup Wizard** window

11 Click Finish to close the setup application and return to the main menu

BankLink Books should be installed into a folder, which is directly beneath a root directory, for example, C:\BK5. Do not install the software into C:\Program Files\BK5 or any other folder that has space characters in its name, for example, BANK LINK.

## To create a BankLink Books icon on your Windows desktop
